

TOTSCo Bulletin No 37
Date: 22 November 2023
Subject: Best Practice Guides released

TOTSCO is pleased to announce the release of a number of best practice guides that have been produced by the Industry Process Group.

TOTSCO is pleased to announce the release of a number of best practice guides that have been produced by the Industry Process Group.

- Message Examples v1.0
- Addition Guidance on Exception Scenarios v1.0
- The NBICS and Number Porting v0.2 – for feedback by 1 December

The Message Examples and the Additional Guidance on Exception Scenarios documents are released as v1.0 following feedback on their previous iterations.

The NBICS and Number Porting v0.2 is released for industry feedback. The document provides best practice guidance on aligning the number port process with OTS. Please provide any comments to enquiries@totsco.org.uk by 01/12/2023.
