Date: 13 February 2024
Subject: MAP Agreement and Schedules

TOTSCo is pleased to announce the release of the Managed Access Provider (MAP) Agreement and Schedules. This follows consultation with potential MAPs on the draft Agreement and Schedules.

These documents are for Managed Access Providers only. All documents can be found on our [website here](#).

Paul Bradbury, CEO at TOTSCo, commented, "We have been impressed with the commitment of MAPs to the One Touch Switch program and their engagement in onboarding and testing. MAPs are a vital part of the OTS picture, and we anticipate that most CPs will access the TOTSCo hub via a MAP. We are delighted to issue this MAP Agreement, enabling MAPs to finalize their commercial offerings to customers. We look forward to a higher rate of CP onboarding as a result."
