Date: 26 February 2025

Subject: TOTSCo Board Update: New Small Retail Provider Constituency Director

We are pleased to confirm that **Michael (Mick) Everett has been appointed to the board of TOTSCo as a Constituency Director for the Small Retail Provider Constituency**, replacing Andrew Glover whose departure we announced earlier this month (see [Bulletin 80](#)).

Mick brings over 40 years of experience in the telecoms industry, working with small Internet Service Providers (ISPs) throughout his career. He has been an active ISPA Council member since 2021 and Treasurer for the past two years, giving him valuable insight into the challenges and opportunities facing smaller ISPs.

Reflecting on his new role, Mick Everett said: *"I'm really pleased to be joining the TOTSCo Board at such an important time. With One Touch Switching now in operation, the focus is on refining the process and preparing for business switching. I look forward to bringing my experience to the Board and working with the industry to drive positive change."*

We thank Andrew for his contributions to the Board and the industry and look forward to working with Mick as he takes on this role.
